EQUAL HOUSING OPPORTUNITY

Federal regulations encourage all advertising for the sale, rental or financing of housing to contain an equal housing opportunity logo-type, statement, or slogan as a means of educating the public. All newspapers are encouraged to run a logo next to housing advertisements in every edition.

The regulations recommend publishers use the following language:

All real estate advertised herein is subject to the Federal Fair Housing Act, which makes it illegal to advertise any preference, limitation, or discrimination because of race, color, religion, sex, handicap, familial status, or national origin, or intention to make any such preference, limitation, or discrimination.

We will not knowingly accept any advertisement for real estate that is in violation of the law. All persons are hereby informed that all dwellings advertised are available on an equal opportunity basis.
